Invitation of the Chairman of MEDICHEM 2016 in Basel

Dear Colleagues,

You are cordially invited to the congress of **MEDICHEM 2016 in Basel**, Switzerland, in August/September 2016.

The theme of **MEDICHEM 2016** is "Risk Assessment at the workplace: concepts for emerging issues".

There are several reasons why you should attend **MEDICHEM 2016** and not miss the opportunity to register at the early bird rate:

- MEDICHEM 2016 is a unique information and communication platform for occupational health professionals and a forum of exchange with colleagues from toxicology, psychology, ecology and other disciplines.
- A program covering timely topics with plenary and keynote lectures by renowned experts
- Excellent opportunity for informal exchange and networking

For more information on the conference, please have a look at the program on our MEDICHEM Website or directly on the Congress Website.

You are also invited to submit a presentation on a theme of the congress or in the open presentation section. The presentation should be 15 minutes with 5 minutes for discussion. Submission is open until January 31, 2016.

All presentations of **MEDICHEM 2016** will be made available for download after the conference on the MEDICHEM Website.

Conference fees:

	Early Bird	Regular fee	One day pass/day
MEDICHEM Members	EUR 500.00	EUR 550.00	EUR 300.00
Non-members*	EUR 550.00	EUR 600.00	EUR 350.00

- Early Bird rate until May 31, 2016
- Non-members may choose to get a MEDICHEM Membership for 40 EUR per year or 100 EUR for three years (individual membership), in order to profit from the Member prices using the Membership Application Form [Word format](#).
- The reception on August 31 is included in the two days congress fee for the participant and his/her accompanying person.
- The congress dinner on September 1 is included in the two days congress fee for the participant. The congress dinner can be booked for the accompanying person for EUR 90 using the [link for registration](#).

The mode of payment is via credit card using the [registration link](#).

MEDICHEM has the following Scholarships and Awards available:

The **MEDICHEM Prize** will be open to trainees in the fields of Occupational Medicine, Occupational Health (including Occupational Health Nursing), Occupational and Environmental Hygiene, Occupational Safety, Toxicology and Epidemiology. Only residents of the country hosting the congress are eligible. Applicants should submit papers for oral presentation at the Congress. [Information about the MEDICHEM Prize](#).

MEDICHEM Scholarships based on the scientific value of the submitted paper are available to individuals whose economic situation would prevent them from attending the conference to present. Such scholarships are available to a maximum of three MEDICHEM members and non-members alike, regardless of their place of residence. [Information about the MEDICHEM Scholarship](#).

The **Young Professionals Award** is available to a maximum of six young occupational or environmental health professionals presenting their research at the Congress. Please enquire about the special set of rules which include sponsorship by a MEDICHEM Member.
